

Technical, Administrative &  
Strategic Support Services

Gilmartin Engineering Works (GEW) has provided support on technical and administrative support services for the DOD and DOE, on energy, environmental, and nuclear projects at sites located throughout the U.S.

The scope of these technical and administrative tasks included successfully accomplishing the following tasks:

- Contract Management
- Procurement Management
- Technology Integration
- Stakeholder Communications and Coordination
- Business Development
- Human Resources Support
- Quality Assurance
- Workforce Transition Planning and Implementation
- Proposal Development
- Document Preparation, Graphics Development, and Clerical Support
- Contract and Subcontract Surveillances and Auditing

GEW is a Service Disabled Veteran Owned Small Business (SDVOSB) based in Oak Ridge, TN, that specializes in technical, administrative and strategic support services; environmental and planning consulting services; commercial and Federal energy services support; and program and project management.

We are committed to:

- Exceeding our customer's expectations;
- Delivering flawless quality;
- Serving our communities; and
- Protecting our natural resources.
